

# SOMA 2025 SCIENTIFIC ASSEMBLY MARKETING OPPORTUNITIES

May 5-9, 2025 | Raleigh Convention Center, Raleigh, NC

The **Special Operations Medical Association (SOMA)** will be in Raleigh, NC, USA for 5 days of training, education, and networking May 5 - 9, 2025.

The Scientific Assembly gives partners, vendors and sponsors the opportunity to advertise products and services to the military and civilian prehospital medical providers and academia. SOMA's Scientific Assembly is the largest gathering of SOF medical providers in the world that includes U.S. Military, foreign military, domestic tactical law enforcement and tactical EMS providers.

By participating as an exhibitor and sponsor, you help SOMA provide low cost, affordable education and training to military and civilian front-line practitioners with real world applicability that helps to increase survivability, reduce suffering and speed recovery to those who are injured.

## About SOMA

Founded in 1987, the Special Operations Medical Association (SOMA) is the only medical association in the world that brings together the unique blend of pre-hospital, tactical, wilderness, austere, disaster and deployed medicine. Our primary goal is to advance the art and science of special operations medical care through the education and professional development of special operations medical providers.

SOMA provides a forum for military and civilian medical providers, academia, and industry from around the world to meet and exchange ideas at

our Scientific Assembly and through our official publication, the Journal of Special Operations Medicine (JSOM), marketing and communication efforts, webinars, and our periodic mini-SOMA global conferences. Through these activities and the network of global practitioners SOMA advances the science, technology, and skills of unconventional medicine.

With over 1100 members worldwide, SOMA is the only medical association in the world that brings together pre-hospital, wilderness, austere, disaster and deployed medicine.
